DETAILED ACTION

Allowable Subject Matter

Claims 1-17 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant's arguments dated 4/15/05 stating that Admitted prior art fails to teach a *partial* polymerization versus a full polymerization is found to be persuasive and therefore claim 1 contains allowable subject matter. Claims 2-17, depend from claim 1 and act only to further narrow the allowable subject matter and are therefore also deemed to be allowable over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
